CLOVERLEAF RECEPTION PLEASING SUCCESS

ANNUAL EVENT OPENING THE SOCIAL YEAR PRETTY AND ENJOYED

All Get Acquainted. Faculty Provides Fun. Girls Jazz Orchestra Introduced

The informal and delightful reception held yearly by Cloverleaf as a welcome to the new students of the college took place last Saturday. The parlors were beautifully decorated by butterflies, human and otherwise, the "otherwise" being little wispy pieces of colored paper fluttering in garlands from wall to chandelier.

Some inspired soul invented a unique get-together and know-each-other plan wherein one shook hands twenty-two times more or less in pursuit of ten elusive dimes. The grasping spirit of young America was represented here perhaps?

FRATERNITIES HAVE BIG YEAR AHEAD

All Petitioning to go National. Rush Season Ends on Monday Before Thanksgiving

The fraternity situation at Rollins for 1920-21 is a most promising one and it is safe to say that the year will mean much in the development of these organizations. It is very probable that the new enrollment will bring a number of national representatives and this will be a great aid inasmuch as nearly all fraternities on the campus are either actively petitioning or planning to petition national organizations. The securing of national recognition will not only mean much to members but will help carry the Rollins name abroad.

BUSINESS MEN GIVE UNIQUE BOOST

Winter Park Club Prints 50,000 Letterheads Advertising the Town and College

The recently organized Business Men's Club of Winter Park has, in the loyalty of its purpose toward the town and college, started a very unique and effective system of advertising. This is being accomplished by the printing of 50,000 sheets of stationery with a very attractive group of cuts of the town and college on the back of each sheet. That the effect may be made more prominent a slogan reading, "Winter Park, The Home of Rollins College," has been printed in among the cuts. A variety has been gained by the use of four different groups of scenes, including such views as Rollins from the air, a panorama of the campus, lake scenes, and views of the town's chief points of interest.

Dr. R. F. Hotard, president of the club, figures that in the course of a year every state in the Union and

ROLLINS APPROVES THE NEW POINT SYSTEM

Unanimously Adopted by Student Body. No One Can Carry More than 15 Points

Rollins has gone on record with the recent adoption of the Point System. The matter was given student approval by a unanimous vote in chapel. It would be advisable for each student to make a copy of the following outline of the system for reference:

Point Systtm

(1) Offices held by students shall be valued by points.

(2) No student may, during the year, hold offices amounting to more than fifteen (15) points, except by special vote of the faculty committee on rules and regulations.

(3) Any entertainment, pageant, etc., requiring more than three hours of preparation per week shall constitute a "stunt" and be subject to the point system.

(4) Points held in captaincies, managerships, plays, etc., shall not be dropped at cessation of practice, but shall hold throughout the year. This system may be revised when

INFORMAL DANCE FOR K. E. GIRLS

Mrs. J. K. List, Fraternity Mother Entertains in Honor of Returned Members

Tuesday evening, September 21, several of the members of the younger set on the campus enjoyed the hospitality of Mrs. John K. List, who is Fraternity Mother of the Kappa Episolon girls, when she entertained with an informal dance at her lovely home in honor of the K. E. girls who have returned to Rollins.

Delicious cream and cake refreshed the guests between dances. This is the first of the many smart functions which the Kappa Epsilon honorary members give to the girls, and it was thoroughly enjoyed by all. Mrs. Arthur Schultz will entertain for them with a charming tea this coming week.

STRONG ADDITIONS MADE TO LAST YEAR'S EXCELLENT FORCE

Chancellor Brooks and Dean Sprague Successful in Securing Best for Rollins

Chancellor Brooks is to be congratulated on the result of his efforts the past summer to secure for Rollins the corps of new instructors, supplementing the excellent teaching force from last year's faculty who still continue their devoted services in the interests of the college.

The entire faculty are in hearty sympathy and accord with the aims and plans of Chancellor Brooks and Dean Sprague in the responsible task of reorganization and development along modern and progressive lines of every department of the college. At the suggestion of President Ward, Professor William Lee Corbin, recently of Wells College, has been appointed Associate Professor of English. Prof. Corbin took his A. B. at Amhurst and his A. M. at Yale University, later doing graduane work at Hasvard and Oxford, England. While abroad Professor Corbin travelled extensively in Scotland and England

WILL ERECT CHAPTER HOUSE NEAR CAMPUS—ALUMNI OF ROLLINS' OLDEST COLLEGE FRATERNITY

Details of Location and Design Not Yet Given Out

Con,iued from page one

gram, Winter Park.

Phi Alpha Fraternity was founded at Rollins in 1906, and has established a record of high character and leadership which lends to the organization a moral stamina which has enabled it to withstand the adversities encountered in a small college and to now stand strong in its alumni scattered throughout the United States.

The fraternity has for more than a decade occupied the large room over the entrance to Lyman Gymnasium, having remodeled and furnished it by permission of the college. During the last two or three years Phi Alpha has generously opened its reception hall for the meetings of other student organizations, owing to the crowded condition of the buildings on the campus. "The Phi Alpha Room" has been the scene of many an "afternoon tea," the traditional function given in honor of new initiates, (at which function the initiates are often permitted to serve).

This year Phi Alpha has rented the Ingram House on Comstock and Chapman Avenues, a delightful location, being near the campus and on the man street to town. The maintaining of a separate house for the boys of the fraternity in a small college has been against the democratic ideals of Phi Alpha, but the overcrowding of the dormitories on the campus has made the providing of other accommodations imperative. Members of the Fraternity living in the house express themselves as highly pleased with the arrangement so far.

Plans for the new home of the fraternity have not yet been announced, but it is understood that the lots are near the campus, and that construction of a modern chapter house will start as soon as certain business arrangements are completed.

THE CLOVERLEAF RECEPTION

Mrs. Rountree gave a splendid negro recitation, arranged by Paul Laurence Dunbar, so well that "Uncle" appeared to be sitting before the listeners. "An Old Sweetheart of Mine" and a musical recitation of "The Land of Make Believe" (which must be Florida, for where else can one better find the elusive taunting sense of unreality and beauty(, accompanied by Ruth Waldron, were given her interested audience. Everyone hopes Mrs. Rountree will be generous and delight her listeners again.

A very clever violin solo by Kathleen Williams kept many wondering just what sort of a new violin had come to Rollins and only the more intelligent lights guessed that "A Perfect Day" came from the violin made by Kathleen's pretty mouth.

A special faculty stunt of the umbrella variety, in which much rivalry was evinced, caused great merriment. All those taking part endeavored to run down an appointed course with nose emplanted upon the umbrella handle. This dash was preceded by gyrations performed under similar disadvantages. Chancellor Brooks excelled in the art and proved that it is not always wise to hitch one's wagon to a star.

That Rollins pep has not departed, but is here in full swing to ring out the old and ring in the new college year, no one doubted after hearing Saturday night's jazz orchestra. The strains of noble music were enjoyed equally by both audience and orchestra.

A little light nourishment was furnished by the goddesses of the been reached. The campaign will be continued indefinitely according to a statement made by an officer in the club.

It is indeed a pleasure to note the keen interest taken by the men of the town in furthering the interests of the town and college and Rollins appreciates their co-operation.

Rollins College, Winter Park, Fla.
October 1, 1920

Honorable Warren G. Harding,
Washington, D. C.

Dear Sir: Being a good Republican, I wish very much to offer my services to and for the cause. After surveying the needs of the Grand Old Party, I have come to the conclusion that a Campaign Manager is most needed. I consider myself especially well fitted for this position. A hurried inspection of my training and experiences present adequate proof of this statement:

1. Having lived in a girls' dormi-

Cloverleaf in the form of cake and punch. And such cake! The refreshments were a great success owing to the very kind and generous help of all solicited. The refreshment committee wishes to express its deep appreciation of the kindness of the following in contributing cakes:

Mrs. List, Mrs. Freeman, Miss Peshmann, Mrs. C. F. Ward, Mrs. Mason, Miss Waddell, Miss Hoyt, Miss Campbell, Mrs. Banze and Miss Deal. The committee also wishes to thank Mr. Greene and Mr. Hanna for their timely aid.

Watch your step, Chase Hall, and keep time.

STUDENT ASSOCIATION TICKET VALUABLE

Save that little Blue and Gold ticket you got in the Treasurer's office on registration day. You will need it. It's your passport to all Rollins activities.

In nearly every state university of the South, notably the Univeristies of Georgia, South Carolina, Alabama, and Georgia Tech, the student association plan has been carried out most successfully. It has been in operation at Rollins for several years but is being carried out more extensively this year than ever before.

Last year the charge was $6.00 but the sum was so small that little could be accomplished. This year it is $7.50 a semester or $15.00 for the year. The ticket issued, showing payment of the fee, entitles the holder to a subscription to the Sandspur, admission to all athletic games (football, basketball and baseball), membership in the Delphic Society (which support will go toward lectures, concerts, dramatics, and debates).

This $15.00 paid in by each student will be distributed by a committee composed of students and faculty. Thus, for example, with an enrollment of 300, the total receipts would be $4,500, which sum will be used by this committee to finance athletic games, print the Sandspur, and bring noted lecturers and concert artists to the campus.

Under this plan the student will be admitted, by the season ticket, to all functions on the campus and will not be hounded from time to time to buy tickets and pay dues to this, that, and the other thing.
